

Student and graduate affiliate membership

WECA is recognised throughout New Zealand as the voice of engineering in our region.

WECA affiliate membership allows students and recent graduates to belong to the incorporated society actively promoting engineering and vital to the on-going success of the sector in the Waikato region. As a student or recent graduate, membership brings you face-to-face with engineering industry employers at events and keeps you up-to-date with what's happening in the industry.

Benefits include receiving WECA updates, access to the membership database and invitations to all WECA events. Membership terms and conditions apply.

Mission

To provide Waikato employers with a sustainable flow of engineering trainees and job seekers that are skilled to meet the current and future needs of the engineering industry.

WECA's Key activities include:

- Creates linkages between Waikato students, educators* and WECA companies
- Regular networking meetings at engineering companies and feature speakers on key industry topics
- Facilitates work experience and industry placements for pre-apprentices, apprentices, technicians, technologists and professionals
- Represents WECA companies at economic development level, both in the development of the Waikato Economic Development Strategy & central Government
- Monthly newsletters to members and educators (featuring key industry news, member success stories, events, photos and more)
- WECA website (including member profiles, media releases, event photos, newsletter archives, engineering pathways, video and more)

Application for Student Membership

Terms and conditions: WECA's student memberships are open to current engineering students and recent graduates only. Membership is renewable annually. At such time a graduate becomes employed, the member's employer will have the opportunity to join WECA and the member's own membership will expire at the end of the 12-month term. Student membership is an affiliate membership.
